

## Executive Coach Profile: Michelle Yeo

<p><b>Coaching Philosophy, what coaching means to me:</b></p>		
<p><b>Location &amp; Languages</b></p>	<p>HONG Kong, English, Dutch</p>	
<p><b>Executive coaching experience</b></p>	<p><b>Level:</b> Mid-Senior Executives (including VPs, Directors, Country Heads)</p> <p><b>Business Sectors:</b> Financial Services, FMCG, Cosmetics, renowned business schools like LBS</p> <p><b>Locations coached in:</b> Europe and Asia (in person and remote coaching)</p> <p><b>Recent coaching example:</b>  <b>Senior Leaders of global FMCG companies, Luxury goods companies, financial institutions</b>            Delivering a series of sessions as part of their leadership programme, including 360 feedback</p> <p><b>Current coaching example:</b>  <b>Mid-Senior leaders, international food company</b>            Leadership programme coaching</p>	
<p><b>Work Experience</b></p>	<p>Michelle is passionate about helping leaders to discover their strengths and talents so that they can achieve their individual, team and organizational goals. Her current role means she can fulfill this passion both as a facilitator when she works with groups, and one-to-one when she coaches individuals.</p> <p>Her experience in both the financial and hospitality industries, coupled with her multi-cultural background and broad understanding of the European and Asian cultures, give her unique insight and understanding and means she really grasps the issues and capabilities needed to be an international leader working on a global stage.</p> <p>Previously responsible for Leadership Skills Development and top talent at an international financial institution, she knows about the importance of connecting results with return on investment, so she is goal-focused and outcomes oriented in her approach.</p>
