

## Executive Coach Profile: Grace Park

<b>Coaching Philosophy, what coaching means to me:</b>	
<b>Location &amp; Languages</b>	UK, English
<b>Executive coaching experience</b>	<p><b>Level:</b> Senior Managers, High potentials, Team coaching, Career Coaching</p> <p><b>Business Sectors:</b> Utilities, Construction, Housing, Equipment rental, Residential Care</p> <p><b>Locations coached in:</b> UK</p> <p><b>Recent coaching example:</b> <b>Housing Association</b> Team coaching with Senior HR Business Partners, to develop skills and confidence in leading organisational change and embedding new business partner model for HR</p> <p><b>Current coaching example:</b> <b>Engineering solution provider</b> Coaching a Senior manager to develop his gravitas personal impact and confidence to transition to main board. Consulting with MD to develop &amp; implement coaching culture across his business</p>
<b>Work Experience</b>	<p>Gabby's organizational development and HR experience within the Water Industry and Engineering has enabled her to work effectively with individuals and teams coaching them to meet their potential. She has specialized in collaboration and partnership within Utilities, construction and engineering companies such as Balfour Beatty and Morrison.</p> <p>Combining her passion for learning with her operational management experience she facilitates groups and coaches individuals. Encouraging people out of their comfort zones is at the heart of Gabby's beliefs and she continually strives to combine intellectual and emotional routes to learning.</p>
<b>Testimonials</b>	<p>"I found Gabby to be a skilled and knowledgeable coach whom I instantly connected with. Over the 8 sessions she helped me understand myself and the impact of my style on others. I was surprised how quickly I managed to implement our sessions into both my professional and personal life with instant results. Gabby asked great questions that helped me to think differently. She was gently challenging when needed, pragmatic and made a genuine positive difference on how I manage and handle a range of personalities and styles, including my own. I would be happy to recommend!" <i>Senior Manager, Large Power Company</i></p>
